DETAILED ACTION

In response to Amendment filed July 29, 2005

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:
 - a. Claims 1 and 5 - 10 are allowable over the Prior Art of Record because it fails to teach or suggest a multi-axis installable and adjustable level comprising an omnidirectional level display mounting plate having a periphery with a plurality of level adjustment screw holes; said level display leaf having a level display mounting plate seat with a plurality of threaded level display adjustment screw receptacles disposed therein corresponding in number to said level display adjustment screw holes of said omnidirectional level display mounting plate; and a level display position-holding compression spring disposed between said level display leaf and said omnidirectional level display mounting plate in combination with the remaining limitations of the claims.
 - b. Claims 11 - 13 and 15 - 20 are allowable over the Prior Art of Record because it fails to teach or suggest a multi-axis installable and adjustable level comprising an omnidirectional level display mounting plate having a periphery with a plurality of level adjustment screw holes; said level display leaf having a level display mounting plate seat

with a plurality of threaded level display adjustment screw receptacles disposed therein, corresponding in number to said level display adjustment screw holes of said omnidirectional level display mounting plate; and a level display position-holding compression spring disposed between said level display leaf and said omnidirectional level display mounting plate in combination with the remaining limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
